

Application for a Waterway Determination & Catchment Assessment

What is this application form for?

Use this form to apply to Goulburn-Murray Water to make a determination as to whether the land on which you propose to construct or alter a dam is on a waterway. This application also includes provision for Goulburn-Murray Water to determine the catchment yield of the land. This determination is required under Section 51 and Section 67 Water Act 1989.

What to do:

- Read the accompanying explanatory notes and refer to the current fee schedule (which can be obtained by calling 03 5833 5609 or downloaded from www.g-mwater.com.au) before you fill out the form.
- Complete the form in full ensuring all relevant information is provided.
- Complete the checklist. Incorrect information may result in your application being refused. **Your application will be returned if it is ineligible or incomplete.**
- Send the form, any required documentation and the application fee to: Goulburn Murray Water, PO Box 165, TATURA , VIC 3616.
- Goulburn-Murray Water accepts payment by cheque or credit card.

Waterway Determination & Catchment Assessment

Assistance with completing the application form

This form should be used to make application to G-MW to determine if a waterway is located on your property and determine the details about the water catchment. This is required prior to the construction or alteration of a dam.

How do I get more information or assistance with completing this form?

Read the information included below, and if you need further assistance contact the Licensing Unit between 8.00am and 4.45pm Monday to Friday

Telephone: (03) 5833 5609 or 1800 013 357 (free call from most fixed line phones)

Facsimile: (03) 58 24 5815

Email: swlicensingadmin@g-mwater.com.au

Question 1 - Applicant/s details

All applicants must complete the application.

Question 2 - Landowner/s Details

Please provide the landowners details.

Question 3 - Existing Goulburn-Murray Water Customers

This number can be found on your annual account issued by G-MW (shown as the Property number).

Question 4 - Description of land on which the determination is requested

Please provide the current land details.

Question 5 - Proposed Use/s of Water and Storage details

Please indicate the number of assessments to be completed and the proposed storage volumes in megalitres.

Please indicate the intended use of the water being extracted. If required to be registered under D&S Dam Registration regulation this will be completed as part of this application.

* A rural residential area is any property located within the rural living zone, green wedge zones and any residential zone as defined by Victoria's Planning Schemes, or any property that is eight hectares (20 acres) or smaller.

You can check with your local council if your property is in a rural residential zone. Property owners can also find out what zone they live in by visiting the website:

<http://services.land.vic.gov.au/landchannel/jsp/map/PlanningMapsIntro.jsp>

Question 5 - Declaration of Applicant/s

All applicants must sign the application. If any person executes the document on behalf of another person or party, they must provide evidence of their authorisation. This can be in the form of a Power of Attorney or other legal document.
