

Delivery Share Application Requirements

Mortgagee Consent

Goulburn Murray Waters requirements for submitting Mortgagee Consent in relation to Delivery Share Applications

When is Mortgagee Consent required?

- When completing a transfer of Delivery Share, if a mortgage exists on any parcel of land associated with the vendor's Delivery Share, under Section 226 of the *Water Act 1989* mortgagee consent must be provided.
- When applying to cease service for delivery on a land parcel with an existing mortgage, under Section 229 of the *Water Act 1989* mortgagee consent must be provided.

Please note, mortgagee consent is not required when applying to vary delivery share.

What is required from the mortgagee?

Consent is required to be provided using the template forms available from our website:

<http://www.g-mwater.com.au/customer-services/forms/deliveryshareapplicationforms>

If you have any queries in relation to the above requirements, please contact our office on (03) 5826 3500.
