Disclaimer/Rules

All overdue amounts need to be paid out within Six months of the payment arrangement being set up. You have the options of paying 6 equal monthly payments or a larger payment at the first or last month of the arrangement with smaller payments the other months. We will also expect a short term arrangement of 3 months where at least 15% of the outstanding debt needs to be paid however you are required to contact GMW to renegotiate the arrangement after the 3 months is up.

By setting up payment arrangement on overdue account this will stop you being referred to our Debt collection agency.
