

Ordering water ONLINE

www.g-mwater.com.au

G-MW has upgraded WaterLINE Online to give customers access to more features. To access the new system you will need to enter a new 7 digit User Number. It's easy! Just add the relevant 2 digits from the table below to the start of your old User Number.

10	Murray Valley Irrigation Area
20	Shepparton Irrigation Area & Diversions customers on the Kiewa, King, Ovens, Broken, Mitta & Goulburn Rivers and the Murray River upstream of Torrumbarry Weir
30	Central Goulburn Irrigation Area
40	Rochester-Campaspe Irrigation Area & Diversions customers on the Campaspe River
50	Pyramid-Boort Irrigation Area and Diversions customers on the Loddon River and Bullarook Creek
60	Torrumbarry Irrigation Area and Diversions customers on the Murray River downstream of Torrumbarry Weir

You won't be able to access WaterLINE without your new 7 digit number.
