## **Application for Amalgamation of a Piped Water District Service**

## **Essential Background Information**

You must read and understand the following information before applying for Amalgamation of Water Works Service.

- (a) Amalgamated properties will reduce total service charges payable.
- (b) Properties must be owned and operated as a single farming and financial enterprise.
- (c) I/We make this application on the full understanding that at any time in the future if the holdings are to be recognised separately a subdivision will be required and will be required to meet the then current investigation and other fees including the cost of any works which may be required under the subdivision.
