

Issue of a NEW Piped Water District Service or Request to Alter Capacity of an Existing Service

What is this application form for?

- Use this form when making application for a new piped water district service or requesting to alter the capacity of an existing piped water district service.

Application Check List

Complete the checklist. Incorrect information may result in your application being refused.
Your application will be returned if it is ineligible or incomplete.

Have you read the accompanying explanatory notes and referred to the current fee schedule (which can be obtained by calling 1800 013 357 or downloaded from www.g-mwater.com.au) before you filled out the form.

Have you been provided with an estimate of set up and ongoing costs?

Is the Property included within the relevant district?

Is an Easement required?

Has Capacity and Water Entitlement been surrendered by an existing customer?

Has the Application been completed, signed by all parties?

Has the application fee been attached? Goulburn-Murray Water accepts payment by cheque or credit card.

Send the form, any required documentation and the application fee to:

Goulburn Murray Water
PO Box 165
TATURA VIC 3616.

Protecting your privacy Goulburn-Murray Water (GMW) protects your privacy by collecting and handling your personal information in accordance with the requirements of the *Privacy & Data Protection Act 2014*. Your personal information is collected on this form under the provisions of the Water Act 1989 and will be used for the purpose of administering this application and updating the Victorian Water Register. Information collected on this form may be made publicly available via the Victorian Water Register. You may apply to G-MW to restrict public access to all or some of your personal information. Information collected is usually disclosed to staff involved in processing your application, contractors and other relevant G-MW staff. We may also disclose information relating to water usage and entitlements to other organisations were necessary for carrying out research in the public interest. Failure to provide the information sought may result in processing delays or non-acceptance of your application. It may also limit our ability to be able to provide various programs or services. You may gain access to and correct your personal information. For further information please refer to our Privacy Policy at www.g-mwater.com.au or call 5826 3500 to obtain a copy of this policy

Application for Issue of a NEW Piped Water District Service and Request to Alter Capacity of an Existing Service

Essential Background Information

You must read and understand the following information before applying for a Water Works Service.

- (a) The property must be within the district before this application can be made
- (b) Any additional tapping points or infrastructure upgrade or pipeline extension required as a result of a new application will be at the applicants cost. This includes Easement Creation
- (c) The minimum capacity and water allowance, as stipulated in the Piped Water District Operating Manual.

East Loddon South & Catumnal

	Peak daily demand		Annual Use Limit	
Stock	13.7	L/ha/day	0.00302	ML/hectare/year
Domestic	7,000	L/household/day	1.73	ML/household/annum

Normanville

	Peak daily demand		Annual Use Limit	
Stock	11.2	L/ha/day	0.00247	ML/ha/annum
Domestic	7,000	L/household/day	1.73	ML/household/annum

Tungamah

	Peak daily demand		Annual Use Limit	
Stock	22.4	L/ha/day	0.00494	ML/ha/annum
Domestic	6,000	L/household/day	1.66	ML/household/annum

- (d) The service is a bundled entitlement which means that water is linked to land, the capacity and the annual allowance transfer with the transfer of the land title, with the exception for a new issue applicant
- (e) Customer application may be refused if assessment criteria are not met.
- (f) Should any applicant wish to become a customer or increase capacity, the application assessment would need to ensure there is no adverse impact on the existing customers in the District. i.e. reduced capacity to existing customers.

Note: Customers surrendering Capacity/Water must retain minimum stock allowances.

- (g) An existing customer needs to surrender capacity & water allowance to allow for a new customer or a customer to increase.
- (h) An Easement needs to be created, at the applicants costs, for pipeworks to any new tapping point.
- (i) Customers should be provided with an estimate of set up and ongoing costs. These include easement creation and installation of tapping point costs
