The Nagambie Waterways are open and easily accessible to the general public. They provide wonderful recreation opportunities, however their primary purpose is for storage and delivery of irrigation water to GMW customers. Water levels vary over the irrigation season, rising with rainfall and falling as water is released for delivery.

Guidelines
You can help protect Nagambie Waterways and enhance the enjoyment and safety of others by following these simple guidelines:

- Help keep areas around Nagambie Waterways clear and protect the environment by taking your rubbish home with you.
- Ensure PFDs (life jackets) are worn, especially when boating alone.
- Check marine/weather forecast issued by Bureau of Meteorology before you go out.
- A Boat Operator Licence is required when operating a motorised boat in Victorian waters.
- All plants, animals and historical sites are protected by law and must not be removed or disturbed.
- Your safety is important. If you require emergency assistance note your location according to the grid numbers on this map.
- Water is not suitable for human consumption.

Be safe - take care.

A Boat Operator Licence is required when operating a motorised boat in Victorian waters.

Note: Nagambie Waterways includes all waters upstream of Goulburn Weir to Hughes Creek.
