Main Topics Discussed

Land and Water Management Plan – Tammy Hearne
<ul style="list-style-type: none">• NCCMA discussed their proposal in updating the Loddon Campaspe Irrigation Region Land and Water Management Plan.• The plan provides an integrated planning framework for the management of land, water and bio-diversity resources within the region.• WSC were provided with the programs associated with the LWMP and how land holders can become involved in the programs.
Loss Entitlements – Mark Bailey
<ul style="list-style-type: none">• Provided the WSC the current allocation announcements and how the loss was tracking for the Goulburn system.• WSC members asked how the loss entitlements are attained and what the key drivers with deliveries are towards loss and allocation.• Discussion was also held on the Inter Valley Trade (IVT) for both the Murray and Goulburn systems.
