APOLOGIES	Andrew Cooper, Georgie Simms, Mark Hill, Stephen Randall,

Main Topics Discussed

Mark Mitchell – (DELWP)	
<ul style="list-style-type: none"> Presented to the Committee a very informative update on the latest Water Market Trends. This generated a lot of interesting discussion. There was also a suggestion that there be another trading zone created. 	
Operations Mangers report – Brian Letcher	
<ul style="list-style-type: none"> A brief over view of Rochester’s irrigation delivery, distribution losses, efficiencies and staff movements was provided to the members. Discussed the replacement of the amenities block at Greens Lake. 	
Peter Egglestone – Engineering, Interface Manager Connections	
<ul style="list-style-type: none"> Updated the Committee with some positive news of the March 2019 targets being met by the Connections Project. Discussed decommissioning of the pumps at Greens Lake and updated everyone on the on the remaining works to be finalised before the Connection Project ends. 	
Return of 75GL Discussion - Dr Mark Bailey	
<ul style="list-style-type: none"> Discussed the return of the 75GL back to the irrigators. This created a lot of interest within the Committee given its been a topic of discussion that has been heavily debated over past meetings.
