Main Topics Discussed

Connections Update: Peter Egglestone
<ul style="list-style-type: none">• Provided the committee with an update regarding the project, including current works, and planned works into winter 2019.• Extremely busy winter works program planned within the Torrumbarry IA, within that programme the S&D will be better managed as compared to previous years.• New Connections staffing structure starts Friday 1st March 2019.• Swan Hill Modernisation is complete.• Third Reedy Lake by pass has commenced.
Transformation Update – Greg Shannon
<ul style="list-style-type: none">• A briefing to the committee concerning Transformation process to date.• Channel by Channel assessment tool expected to deliver savings into the future.
Northern Victoria Water Resource Plan - Sabrina Teodorowski DELWP
<ul style="list-style-type: none">• A short briefing was provided to the committee regarding the draft Water Resource Plan for Northern Victoria.• Members were advised that feedback was extended to the 18th March 2019• Concern was raised by the committee that this was purely a tick boxing exercise and if irrigators feedback was genuinely going to be considered or taken into account consultation would have occurred before now.• Sabrina advised they are happy to return to discuss any issues, looking to have a final paper by end of April, looking for accreditation by end of June 2019.
