Main Topics Discussed

Northern Victoria Resource Plan- Sabrina Teodorowski	
<ul style="list-style-type: none"> Presented a summary of the Water Recourse Plan for Northern Victoria which generated some good discussion from the Committee. 	
Connections Update – Peter Egglestone, Trudi Woodward.	
<ul style="list-style-type: none"> Presented an update on the Connections Project informing the Committee that it was on track to deliver stage 2 March 2019 water savings. The project is planning on carrying out a vast majority of in season works to accelerate the project ahead of the winter program. 	
Transformation/Customer Charter Update – Peter Clydesdale	
<ul style="list-style-type: none"> Reported on the time lines and progress to date with Transformation. Discussed with Committee the latest changes to the Customer Charter giving the Committee an opportunity to comment prior to its release. 	
Public Ground Water Pumping - Simon Cowan	
<ul style="list-style-type: none"> Spoke to the committee on a case study being undertaken in the Rochester Irrigation Area to rationalise pumps and reduce tariffs. 	

Greens Lake - Kristin Favaloro, Mark Bailey, Ross Plunkett, Hayden Burge.

- Mark Baily spoke to the committee on decommissioning Greens Lake, its use over the last five seasons and the potential water savings.
- Ross Plunkett spoke on what the future plan is for Greens Lake.
- Hayden Burge presented a Master Plan with a range of potential recreational uses and options for the future of the Lake.

Operations Mangers report – Brian Letcher

- A brief update of Rochester’s irrigation delivery, distribution losses and efficiencies and staff movements was provided to the members.

General Business

- The Committee discussed their views on how the 75GL could be returned to entitlement holders.
