GOULBURN-MURRAY
WATER

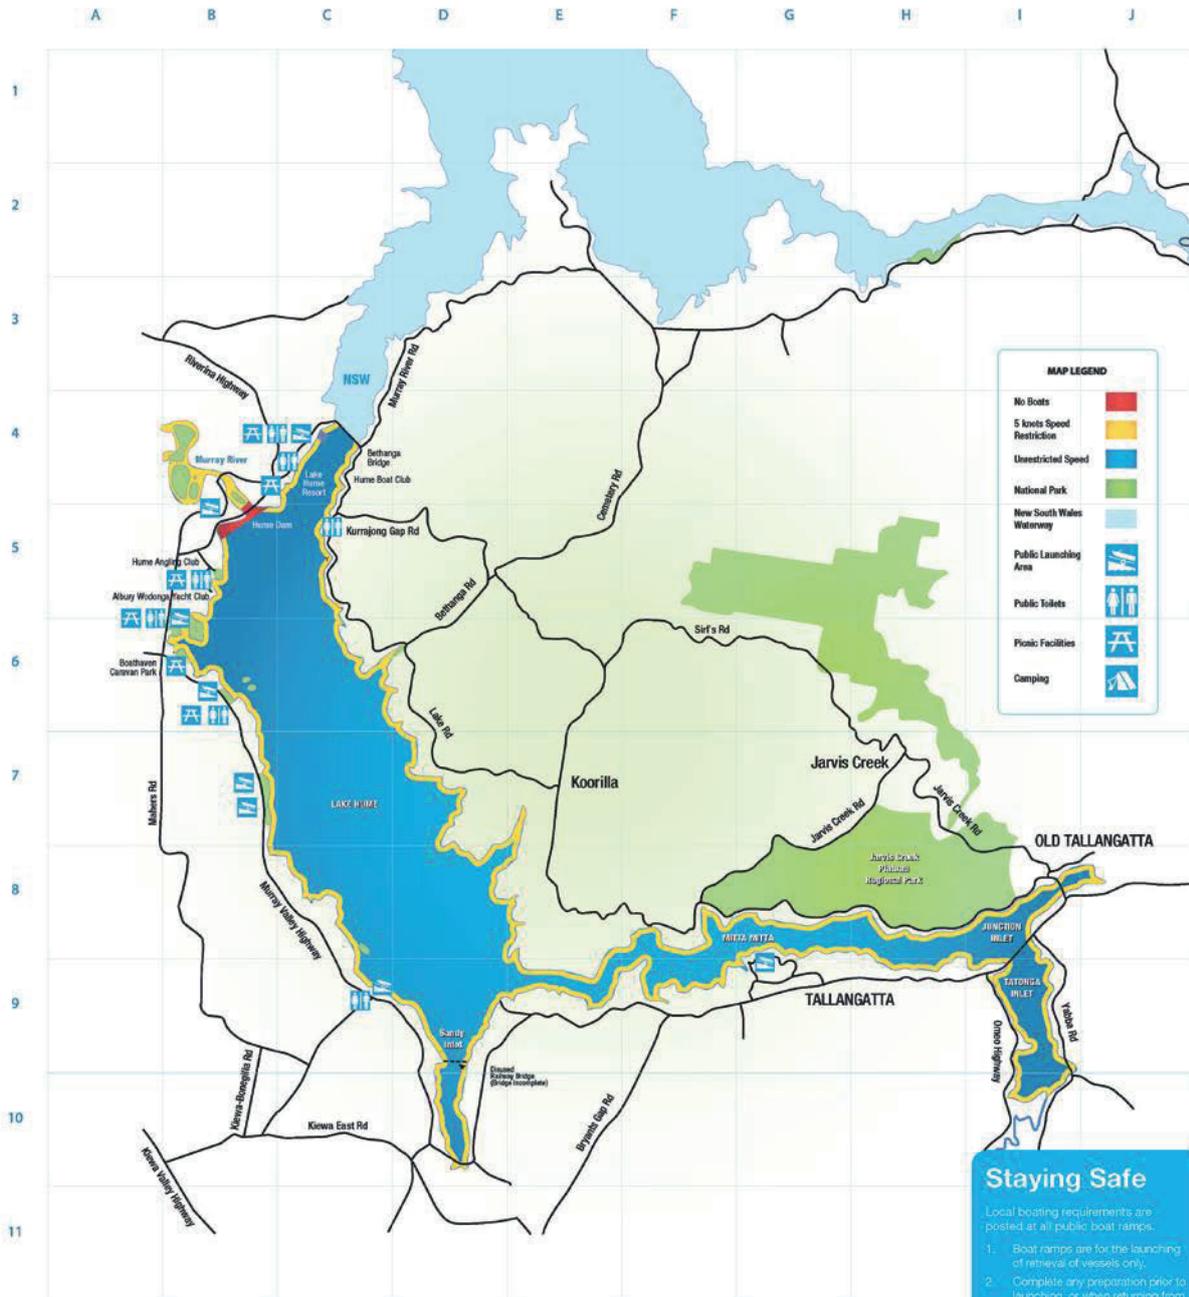

October 2017

Lake Hume

GUIDE ONLY

Use the guide below to indicate where at Lake Hume you are proposing to hold your event.

On inland waters a 5 knot speed limit applies within 50 metres (except where otherwise indicated) of the water's edge, other vessels, navigation aids, swimmers and fixed or floating structures. Current water levels can be found at www.gmwwater.com.au/water-levels

Please Remember

- No camping or fires allowed on GMW foreshore land.
- Confine vehicles and motor bikes to formed public roads.
- Take your rubbish home.

Staying Safe

- Local boating requirements are posted at all public boat ramps.
1. Boat ramps are for the launching or retrieval of vessels only.
 2. Complete any preparation prior to launching, or when returning from the water, away from the ramp.
 3. Ensure all safety equipment is on the vessel and operational.
 4. Always keep a lookout for waterway hazards and operate your vessel in line with weather and waterway conditions.
 5. Parking is only allowed in designated areas.
 6. Ensure no one is in or on the vessel when moving to and from the ramp.
 7. Swimming and shade structures aren't allowed within 50 metres of either side of boat ramps.

NSW Road and Maritime Services are the Waterway Manager (boating) for Lake Mulwala. You will also need to contact NSW Road and Maritime Services to discuss your event on 13 22 13.

Site Plan

Sketch your site plan in the space provided below. Include any temporary structures, car parking, amenities and areas which the public will be restricted from.
