Important information for Diversions customers

We are continuing to move from an Access

Access Fee - based on Service Points.
During this transition period the entitlement
based Access Fee will decrease as the Service
Point based Access Fee increases. Ultimately
only one Access Fee will appear and be entirely
based on service points.

Customers on Stop Supply of water

Some customers' Allocation Accounts (ABAs) may have had a 'stop' placed on it due to having overdue accounts with GMW.

Until the associated outstanding fees are paid, or a payment plan has been entered into, all ABA's attached to either the customer or business name will have been stopped. This will prevent water being delivered against these accounts.

If a stop has been placed on your account, please contact the GMW Call Centre on 1800 013 357 to pay your account or to discuss a suitable payment arrangement.
